Blake, Allison M. Note. SEC cannot cleanse the electronics industry alone: “blood minerals” mandatory disclosure legislation effective only if applied across the board. 39 J. Corp. L. 395-413 (2014).

In January 2014, Savey, Joshua L. published a Comment titled "Unilateral sanctions: an effective foreign policy tool in Myanmar?" in the Williamette Law Review. The article discusses the effectiveness of unilateral sanctions as a tool in Myanmar's foreign policy, providing insights into the potential benefits and drawbacks of such policies.

Another article, "Bad boys, whatcha gonna do when they come for you: an examination of the United States’ denial of asylum to young Central American males who refuse membership in transnational criminal gangs," by Sullivan, Lauren E., was published in the Duque Law Review. This commentary delves into the legal complexities and implications of denying asylum to young Central American males who refuse to join transnational criminal gangs, offering a critical examination of the U.S. asylum policy.

In the IMMIGRATION LAW section, Bottorff, Andrea, explores the legal history of a changing population by integrating Mexican and U.S. legal customs in the American Southwest. This note provides a unique perspective on the evolution of immigration law and its impact on the region.

Gavilanes, Jorge, raises important considerations regarding U.S. citizenship in the BYU Journal of Public Law, commenting on the legal landscape of citizenship and its implications for individuals and society.

Lernatovych, Anya, discusses the legal consequences of breaking the law to be within the law, offering a nuanced analysis of legal practices and their broader implications.

Tseliak, Olga, examines the legal challenges faced by aliens in professional licensing, providing a detailed analysis of the legal standards and state interests involved.

Warner, Elizabeth Ann Kronk, contributes to the discussion on tribal environmental law by examining the complexities of tribal laws in the context of environmental protection.
